Glass Flasks, Glass Volumetric Flasks w/ Glass Stoppers

Glass Flasks, Glass Volumetric Flasks w/ Glass Stoppers

These heavy-duty, wide-mouth clear glass volumetric flasks are come with compatible clear glass stoppers. Available in 11 sizes ranging from 5 ml to 2000 ml (2 L), the glass volumetric flasks provide easy access for pipettes, and also feature heavy duty uniform glass walls for durability. The glass flasks are clearly printed in white with their capacities for easy identification, and have flat interior bottoms ideal for stirring with standard stir bars. Glass volumetric flasks are graduated to Class A volumetric tolerances.
