

Burettes, Clear Acrylic Graduated Burettes

Burettes, these Azlon® break resistant transparent acrylic burettes are screen printed in black to Class B accuracy. They are suitable for use in education, research or industrial laboratories, particularly when labware breakage is a concern. This series of burets is unaffected by most dilute aqueous solutions (except ammonia and HF), but is not suitable for ethanol or organic solvents. Lengths and internal dimensions can vary as all are individually calibrated.

*Factory Ship Item, allow 3 to 5 days for shipment.
