

## Manual Pipettes, Acura Manual 815 Single Channel Fixed Volume Micropipettes

The Acura® manual fixed volume pipettes include a slim, ergonomic design, ultra-soft plunger stroke, autoclavability, and much more. This pipette features a freely rotating smartie-plunger button cap, ensuring stability while pipetting, and click-stop for detaching the pipette tip. Available in a wide selection of 1 to 1000 µL. Each pipette comes with a 3 year warranty. = Autoclavable Labware
