

## Beakers, Glass Beakers, Low Form Heavy Duty Beakers

Buy 1 case of 250 - 600 ml KIMBLE® Beakers & receive 3 packs of KIMBLE® Silicone Lids FREE!

These Kimble Chase low form heavy duty glass beakers are made of 33 expansion, low extractable borosilicate glass, which complies with USP Type I and ASTM E438, Type I, Class A requirements. These glass beakers are available in six sizes ranging from 250 ml to 4,000 ml capacities. These beakers feature thick walls with a consistent thickness to provide mechanical strength, durability, and improved safety for mechanized washing or rough handling.

Case packs of 48 come in 1 box with 4 smaller boxes that each include 12 beakers. Case packs of 36 come in 1 box containing 6 smaller boxes with 6 beakers in each. Cases of 24 come in a box with 4 smaller boxes, each with 6 beakers. Cases of 8 are packaged in 1 box holding 2 smaller boxes, with 4 beakers in each. Beakers are safely packaged and separated by cardboard dividers.
