

## Erlenmeyer Flasks, Wide Mouth Glass Erlenmeyer Flasks

Buy 1 case of KIMBLE® Erlenmeyer Flasks & receive 3 packs of KIMBLE® Silicone Lids FREE!

Ideal for general laboratory use as well as an educational tool, these glass Erlenmeyer flasks are designed from ASTM Specification E1404, Type I, Class 2 requirements. These laboratory flasks feature a wide mouth for easy filling and dispensing heavy duty tool top finish and a capacity scale. Case packs of 48 come in 1 box, with 4 smaller boxes inside, holding 12 flasks each. Case packs of 36 are in 1 box, with 6 smaller boxes inside, each containing 6 flasks. Case packs of 24 flasks are also packaged in 1 box containing 4 smaller boxes, 6 flasks in each. Case packs with 8 flasks come in 1 box, with 2 smaller boxes inside, each containing 4 flasks. Cardboard dividers separate inner packs containing multiple laboratory flasks.
