

## Graduated Cylinders, Glass Graduated Cylinders Starter Pack, To Deliver

Buy 2 KIMBLE Glass Graduated Cylinders Starter Packs & receive a FREE GL 45 Media Bottle Starter Pack!

This starter pack features an assortment of popular sized glass graduated cylinders from our 20024 series. These clear glass graduated cylinders come with bumpers and a single white metric scale, and are calibrated &quot;to deliver&quot; meaning that the graduation lines indicate the volumes delivered from the cylinders. The pack consists of 5 glass graduated cylinders (one each) in sizes of 10, 25, 50, 100 and 250 mL. Ideal for start-up labs, and customers who need a variety of cylinders, but have limited lab space or glassware needs. Safely packed in one box, these cylinders are individually wrapped in bubble wrap.
