

## Pipette Accessories, Pipette Stand for Acura & Calibra Pipettes

The pipette stand features an innovative design that fits all Calibra® and Acura® models. This convenient stand offers an easy reach of each instrument, and has a heavy bottom plate and anti-slip pads to provide high stability. It is constructed of polyamid material and is easy to clean. This work station also fits the Acura® 810 dilution pipette and Acura® 865 microdispenser pipettes.
