

Test Tubes, PCR Tubes w/ Dome Plastic Caps

Opt for these attached polypropylene Amplitube™ PCR reaction strips in a variety of colors. These test tubes come in strips of 8 with individually attached dome caps. With ultra thin walls these PCR tubes allow for an efficient and even temperature transfer. The seal completely protects the tubes contents from evaporating during the whole thermal cycle. These test tubes come safely packaged in a single tamper-proof, resealable bag.

Description	Stock #	Case Pk	Price/Cs
0.2 ml Test Tubes, PCR Tubes w/ Dome Plastic Caps - Blue	T320-3B	125/bag	\$97.50
0.2 ml Test Tubes, PCR Tubes w/ Dome Plastic Caps - Green	T320-3G	125/bag	\$97.50
0.2 ml Test Tubes, PCR Tubes w/ Dome Plastic Caps - Natural	T320-3N	125/bag	\$97.50
0.2 ml Test Tubes, PCR Tubes w/ Dome Plastic Caps - Red	T320-3R	125/bag	\$97.50
0.2 ml Test Tubes, PCR Tubes w/ Dome Plastic Caps - Yellow	T320-3Y	125/bag	\$97.50
