

Glass Flasks, Clear Glass Trypsinizing Flasks w/ Graduations & Screw Caps

These clear glass tryptic flasks feature clearly printed white graduations and a white writing area for easy identification of the glass flask's contents, and are available in 6 sizes ranging from 35 ml - 1500 ml capacities. The glass flasks also come with black screw caps with white styrene-butadiene rubber liners which help to reduce contamination of flask contents. The fluted design of the glass tryptic flasks improves effectiveness of mixing characteristics.
