

Ohaus Scales, Counting Scales, Ranger® Count 3000

If you're not completely satisfied you may return within 30 days - SEE RETURN POLICY

Ranger® counting scales are compact and full of features useful from basic counting to complex industrial applications. The four sturdy feet are adjustable for leveling, which allows for placement in smaller laboratories with limited counter space or used in more rugged applications. Opt for AC power or an internal rechargeable battery for 210 hours of continuous use between charges. The multi-screen display provides accurate information, alerts when the battery is low and has an easy to navigate the menu to provide the results in the data form to match your needs.
