

Wash Bottles, Natural LDPE Narrow Mouth Wash Bottles

These LDPE wash bottles are natural in color with a square shoulder design. Plastic wash bottles with white polypropylene caps are available in three sizes: 60 ml, 250 ml, and 500 ml. The traditional narrow mouth wash bottles feature swivel/leak proof closures. These laboratory plastic bottles are shipped capped in shrink-wrapped packs of 5. A variety pack is also available, which includes one of each size bottle.
