

# Lab Bottles, Media Bottles, Clear Glass Media Bottles, Caps NOT Included

These clear glass GL 45 media bottles are offered here without closures. These lab bottles feature enhanced marking spots and graduations applied with permanent white enamel. The wide opening (30 mm ID) allows for a smooth, accurate, and easy pour, and aids in a clean fill. A replaceable natural drip free polypropylene pour ring is included with each bottle. Select the add ons below, or view the compatible cap [HERE](#) . All case packs with multiple bottles come packaged in 1 single box, and are separated by cardboard dividers. Case packs with 1 bottle are packaged safely in a box with cardboard inserts to hold the bottle in place.
